CLUBS and ACTIVITIES

Were those cages a protection for or from our Go-Go Girls?

This fall semester's mixer was Royal-A-GO-GO complete with six of J.C.'s own Go-Go Girls: Joan Sommerfeld, Candy Wolfe, Audrey Lale, Rose Ann Bulik, Pat Ivens and Leslie Jelinek. The girls danced to the music of the Royals.

General Chairmen were Judy Gardner, Ken Wallin, Joanne Pompa and Bill Synovic.

Coed Club Initiates 'Little Sisters'

At the Little Sister Tea, the first business at hand was the installation of new Coeds into the sororities at the traditional candle lighting ceremony. There are nine sororities, including Theta, a new sorority organized this year.

Refreshments were served after installation. Cathy Machinis, as Coed Club Vice-President, was in charge of the Tea.

Joan Van Haren welcomes a new sorority sister.

Business over, there was time for relaxation and refreshments.

Election Commission

"And if it doesn't work, you hit it right here!"

The election commission is a silent servant of the students at Thornton which strives to arouse interest in elections as well as to supervise them. The members volunteer their services. Headed by their sponsor, Miss Mary Comegys, they publicize elections, register voters and act as judges during the elections.

This year a voting machine was used for the first time for the election of the class officers and the activity committee representative. Students thus had the opportunity to familiarize themselves with the intricacies of the voting machine.

Pat Mauro is the chairman of the student election commission and Joan Van Haren is the secretary.

Looking on while Pat Mauro demonstrates how to use a voting machine in college elections for class officers are: Mr. Robert Madesen, representative of the Cook County Election Commission, the organization responsible for supplying the voting machine to TJC, Mr. Lee Dulgar, Dean; Mr. Robert Bentley, Harvey's City Clerk; Mr. Elmer Turngren, Mayor of Harvey; and Miss Marie Weis, TJC instructor.

The responsibilities of the Student Senate include sponsoring a monthly activity, dealing with the problems of the student body, and distributing the student activity fees for numerous activities.

The Officers are supported by Chairmen of the fraternities, which were formed under last year's reorganization. Each fraternity has a function to sponsor such as the Mother-Son Banquet or "Date Nite." The proposed ski outings fall under the leadership of Bill Synovic and the club's sponsor, Byron Kee, Dean of Men.

Homecoming 1965

Happenings, happenings! This well describes the entire homecoming weekend of October 8 and 9. Spirits were high from the moment the Circle K Club began selling giant mums, through the pep assembly Friday afternoon, and reached a peak at the triumphant game against Morton (24-12) which was followed by a record hop.

Library

The daily life of the students of Thornton Junior College revolves around the library. Centrally located, the well-lighted room is supplied with numerous, ever-increasing volumes, periodicals, pamphlets, and reference books. This year two new features have been added to the library - the staff of helpful librarians has been enlarged, and the hours have been extended until 9:00 p.m., Monday thru Friday.

But once inside . . . . . .

Teacher Who?

The Faculty Tea, "Teacher Who?", gave both students and faculty the opportunity to meet each other on social grounds. At the tea teachers and students conversed and enjoyed the entertainment which pointed out what happiness is to a teacher and to a student. Delta Sorority sponsored the tea which provided a good opener for a terrific school year.

Gail Skiscim holds the main attraction of the tea.

On the weekend of October 23-25, Thornton Township High School and Junior College presented the 1965-66 Variety Show, to dedicate the new auditorium, one of the best in the area.

The Variety Show, witnessed by capacity crowds, was comprised of area talent. This production had everything: dancing, modern to precision; singing, folk, popular, rock and roll, classical; and comedy. It will be a long time before this production will be surpassed.

Newman Club

The Newman movement began in 1893 with five Catholic students, who picked Cardinal Newman as their patron, forming an official club. Today there are over 800 clubs in colleges and universities all over the United States. Thornton's Newman Club was organized in 1963. The purpose of Newman Club is three-fold -- religious, educational and social. Its goal is to create a Christian culture for students at secular schools.

"Eat, Drink and Be Merry" was the name of the annual Smorgasbord at which the athletic teams were honored.

Beta sorority was in charge of the dinner. Chairmen included Karen White, Sandy Bandstra, Valerie Baron, Cheryl Brown, Faith Lacy, Denise Pentzien, Carol Krol, Laura Kagebein, and Cheryl Ten Hoven.

Everyone enjoyed a dinner of beef sandwiches, baked beans, various salads, jello molds, cake, beverages and other treats. WIN TITLE

Coach Carlson's charges raced to the conference championship reaching a high note by avenging a 14-4 loss to Wright JC by bouncing back to beat them 2-1 in a showdown battle. One of the disappointments was a 9-8 regional loss to Joliet, a team the Bulldogs defeated in regular season play by a 3-1 score. The Bulldogs displayed good power and an excellent defense on the way to the title. The team allowed only four runs in the last five regular games of the season on the way to the title.

TIGER AT THE GATES by Jean Giraudoux was scheduled by the J.C. Drama Society for production April 22, and 23. The director, Mr. Brand, along with Mrs. Chapman decided to cancel the play after they found it impossible to continue because of a lack of cast members. Because some months were spent in preparation for the play, the Caldron staff decided to publish the pictures of the practice sessions.

The cast of the J. C. Drama Society play was David VanderVeen as Hector; Susan Cox as Andromach; Jerry McGee as Paris; Dawn Downey as Helen and Pat Smith as Cassandra. Also in the cast was John Burleson as Ulysses; David Greubel as Priam; Kenneth Youga as Burises; Ray Sunberg as Ajax; Sue Kutcher as Polyxene; Tim Weber as Demokos; Brent Tolman as Troilus; Paul Rambow as Mathematician; Donna Anderson as Laundress; April Adams as Peace; Sidney Rhyne as Iris; Bill Benak as Topman; Joe Quinzi as Olpides; Mark Mehochko as 1st Sailor; John Schulman as 2nd Sailor; and Tony Hinch as Messenger. Circle "K"

Circle K is a nation-wide organization on college campuses dedicated to school and community service. The group enjoyed a successful year under the sponsorship of Mr. Bailey Magruder of the Social Science Department. This was the third year of operation of Circle K at Thornton.

Because of schedule conflicts which prevented school hour meetings, Circle K members had the unique experience of holding breakfast meetings at the Harvey YMCA every Friday morning at 7:30. Business was conducted amidst the sizzling of frying bacon and eggs and the plop of pancakes on plates of hungry members.

Mr. Magruder pointed out that his group aided the relationship between Thornton Junior College and the community because of the many activities that have benefitted the school and area organizations. Most of the funds derived from the activities were donated to community organizations for use.

One of the most popular dances and activities at school, Ugly Man at Thornton(UMAT), has been sponsored by Circle K members.

Newman Club

In its fourth year of organization, the T.J.C. Newman Foundation has had a very successful year. With the help of its sponsor, Mr. L. Bowers, the club presented a year of enjoyment for its participating members and fulfilled its purpose of enlightening and strengthening the educational, social, and spiritual welfare of the student body. Its many varied activities included dances, communion breakfasts, a hay ride, and frequent guest speakers.

Although regular membership in the Newman Club is open to Catholic students, non-Catholic students are very welcome at the club's activities.

Human Relations Club

Louis House of radio station WAAF addressed a meeting of the Human Relations Club on his experiences as a civil rights worker in both northern and southern cities.

New last spring, the Human Relations Club's purpose is "to promote understanding between individuals and groups through the discussion of the problems concerning ethnic, cultural, and interpersonal relations." The club has worked to achieve this goal through discussions, sponsoring of guest speakers and showing films.

Next year the club is expected to emerge as a single-purposed organization, concentrating on volunteer work and seminars on civil rights in the area.

Cooperative Merchandising Club

This club, sponsored by Mr. William Hafer is in its initial year at TJC. The group spends a part of the day in class learning the basic principles of merchandising, and then go to their specific jobs to put the principles in practice. Mr. Hofer is completing his first year at TJC and has organized and implemented its activities into the JC curriculum.

Members of the Cooperative Merchandising club found interesting experiences in their meetings during the year.

The editors gather for a skull session in the Courier office. Mary Ellen Kett, James Stadter and Walter Miller all served as editors during the year.

Cliff Adams checks a Courier for mistakes while Bob Kubiak and Jeff Haase work on copy for the next issue.

Courier

The Courier, Thornton Junior College's newspaper, is advised by Mr. John Stanfield. During the first semester the paper was edited by Mary Ellen Kett and Walter Miller. James Stadter served as editor during the second semester. The paper is published bi-weekly by the staff members and the journalism class.

It's a quiet moment in the Courier office.

Barbara Rose, copy editor, right, reads some interesting material to members of the Caldron staff. Left to right, George Elmos, photographer; Joan Sommerfeld, Caldron editor; Judy Snow, business manager; Carol Brady, assistant editor.

Caldron Plans Ahead

The Caldron staff was advised by Mr. Marcel Pacatte this year. Joan Sommerfeld served as editor and directed the book to its completion along with the help of the staff, especially that of the assistant editor, Carol Brady. Using a seasonal theme for the book, the layouts were directed along that line. One innovation was the use of individual pictures for freshman instead of the traditional group shots. Staff members not included in the pictures are Laura Kagebein, Claude Baker and Carol Kreis.

Drama Club

This year the J. C. Drama Society is sponsored by Mr. Smith Brand, English and Speech teacher. The club is planned to put on plays, to go to speech contests, and to perform for the school. This year the plays have been: "Miss Julie", "The Stronger", and "Ghost Sonata", which were presented in *An Evening of Strindberg* during the first semester. The second semester project was the play "Tiger at the Gates."

The club offers the opportunity for all students to get into the theatre in any field in which they wish to participate. Fields such as lighting, makeup, costumes, and scenery are open to all interested students.

Here Cindy Moore (kneeling) is fitting Jerry McGee's costume while Mrs. Chapman is helping Barb Patrick get ready for "Ghost Sonata."

Standing: Ed Galvin, Bill Vogel, Jim Krygier, Mike Samuelson, Jim Thrash, John Gavin, Don Yost, Glen Sosnoski and Larry Peters. *Sitting:* Myron Ward, Candy Wolf and Andrea Nieckula.

Letterman's Club

Thornton Junior College's Lettermen's club is an organization comprised of all letter winners and cheer leaders. The group does not sponsor an specific school activity, but during the year they promote school spirit and hold a banquet at the end of the year at which athletic awards are distributed. The club under the direction of Mr. Pete Schloss sponsored the first annual Honors Banquet which paid tribute to all of the school's organizations. Pete Yuska, president presented a plaque to Mr. Schloss for his contribution to J.C. athletics. Athletic Director T.B. "Tiny" Huddleston received an award from the club as well.

The Thornton Junior College Concert Choir is under the direction of Mr. Al Kindig and five student officers-Gary Dykman, President; Charles Kerber, Vice-President; Sue Waring, Secretary-Treasurer; Wilma Wahl, Historian; and Judy Freebairn, Robes and Librarian.

The Choir has had a number of different engagements this year. They presented a concert for the Sunday Evening Club at Orchestra Hall, and another for the Chicago-World Flower and Garden Show at McCormick Place. They have also performed at several community churches and meetings, including a Christmas concert for a Junior College convocation. In addition, four members of the choir - Susan Waring, Mary Ruth Swanberg, Gary Dykman and David Abshire-participated in the first Illinois Junior College Choral Union at the Illinois Music Educators Association meeting in Peoria.

Staggette

Maid-of-Honor Kathy Cotter and the Sweetheart Kathy Tangney pose proudly with their crowns.

On March 25 the Staggette, the annual turnabout dance, was held at Silver Lake Country Club. Sponsored by the Co-ed Club, the dance attracted many Thornton couples to the first spring social event.

Members and guests were entertained by the Ralph Berger band. A grand march was held prior to the coronation where 14 co-eds vied for the sweetheart crown.

Kathy Tangney was named the Sweetheart of the dance with Kathy Cotter her maid-of-honor. Carolyn Leich, last year's sweetheart, crowned the maid-of-honor and sweetheart.

Joanne Pompa, president of the Co-ed Club, served as Mistress of Ceremonies.

The Sweetheart is crowned by Carolyn Leich who wore the crown last year.

Night

October 24, 1940, saw the beginning of the Adult Education Program. Since then the program has grown to its present enrollment of 3,600 employing 79 teachers, 33 of whom also teach at Thornton Junior College during the day. Mr. Arthur J. Stejskal is the director of the program.

The purpose is to provide educational opportunities for the adult-completion of work for a high diploma, training in industrial and technological fields, as well as a recreational program.

Nursing Program Thrives in First Year

Barbara Mulligan is preparing an (ouch!) hypodermic needle.

Thornton Junior College offers a two-year nursing program designed to prepare men and women for various careers in nursing. The program combines courses in general education at the college with selected nursing care experiences in hospitals and other community facilities. Nurses were working at Ingalls Memorial hospital in Harvey and Tinley Park State hospital during the past year. The college faculty recognizes as its purpose the education of persons to give direct nursing care to patients and to contribute to the promotion of health in the community.

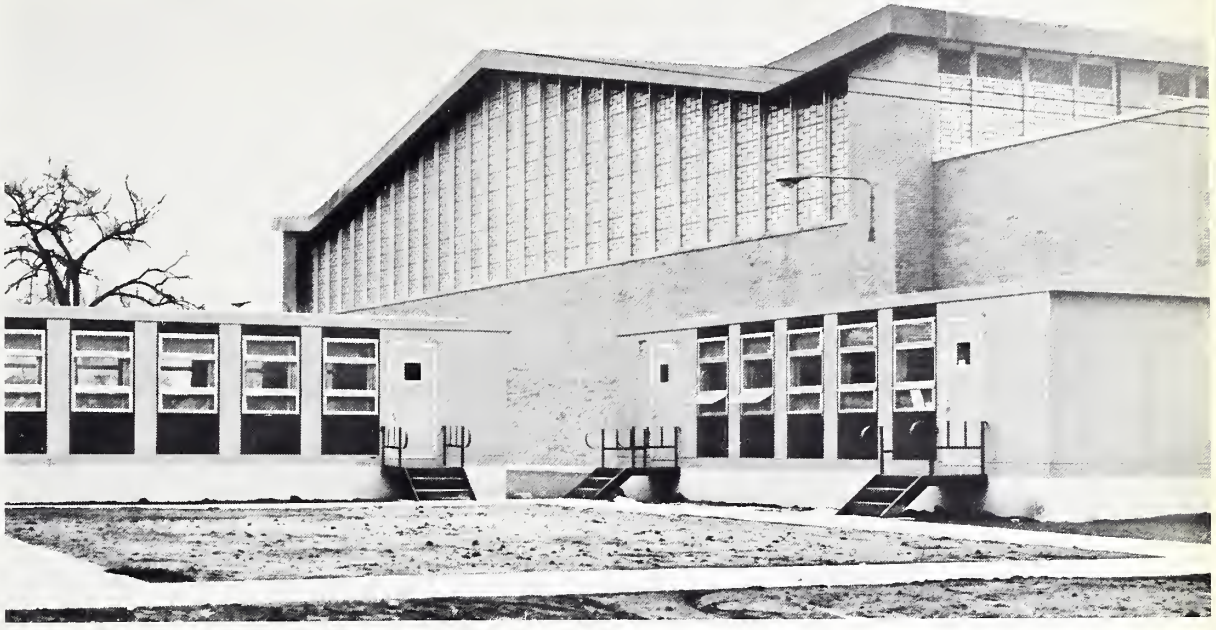
Judy Petrow and Noelene Dahncke await further orders from their instructor, Miss Lottie Tylka.

Miss Carolyn Frazer, head of the Nursing Department, reviews procedure with one of her students.

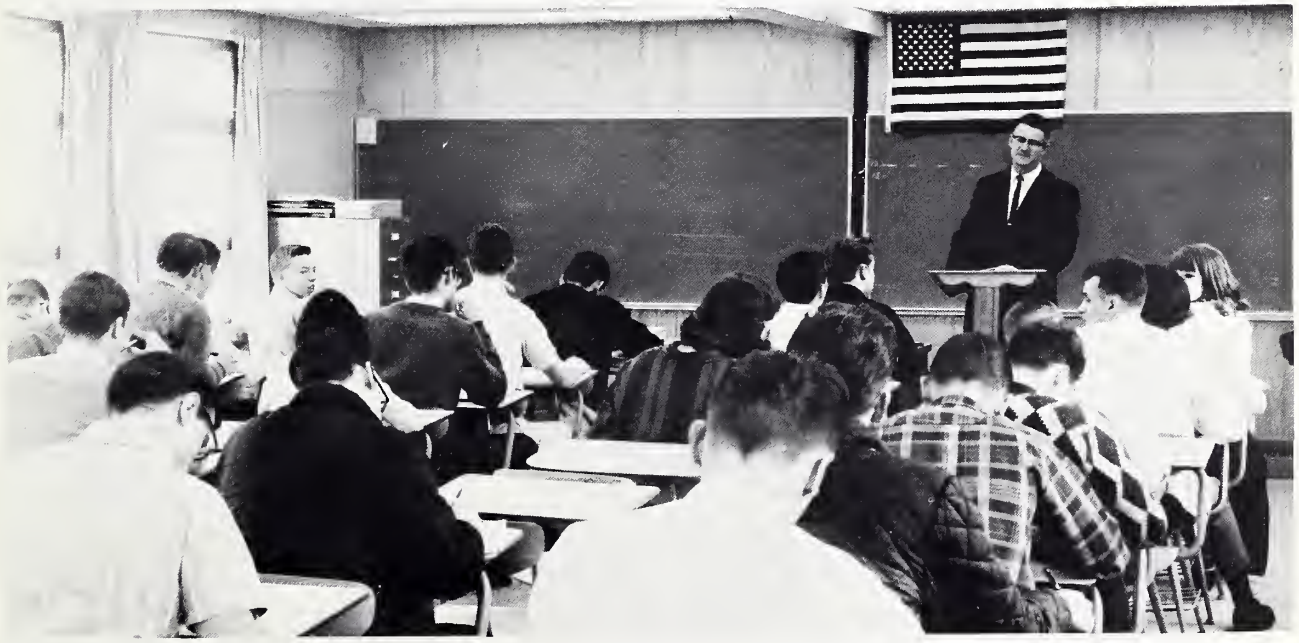
Dr. Herbert Fisher discusses problems in nursing with several Thornton Junior College students.



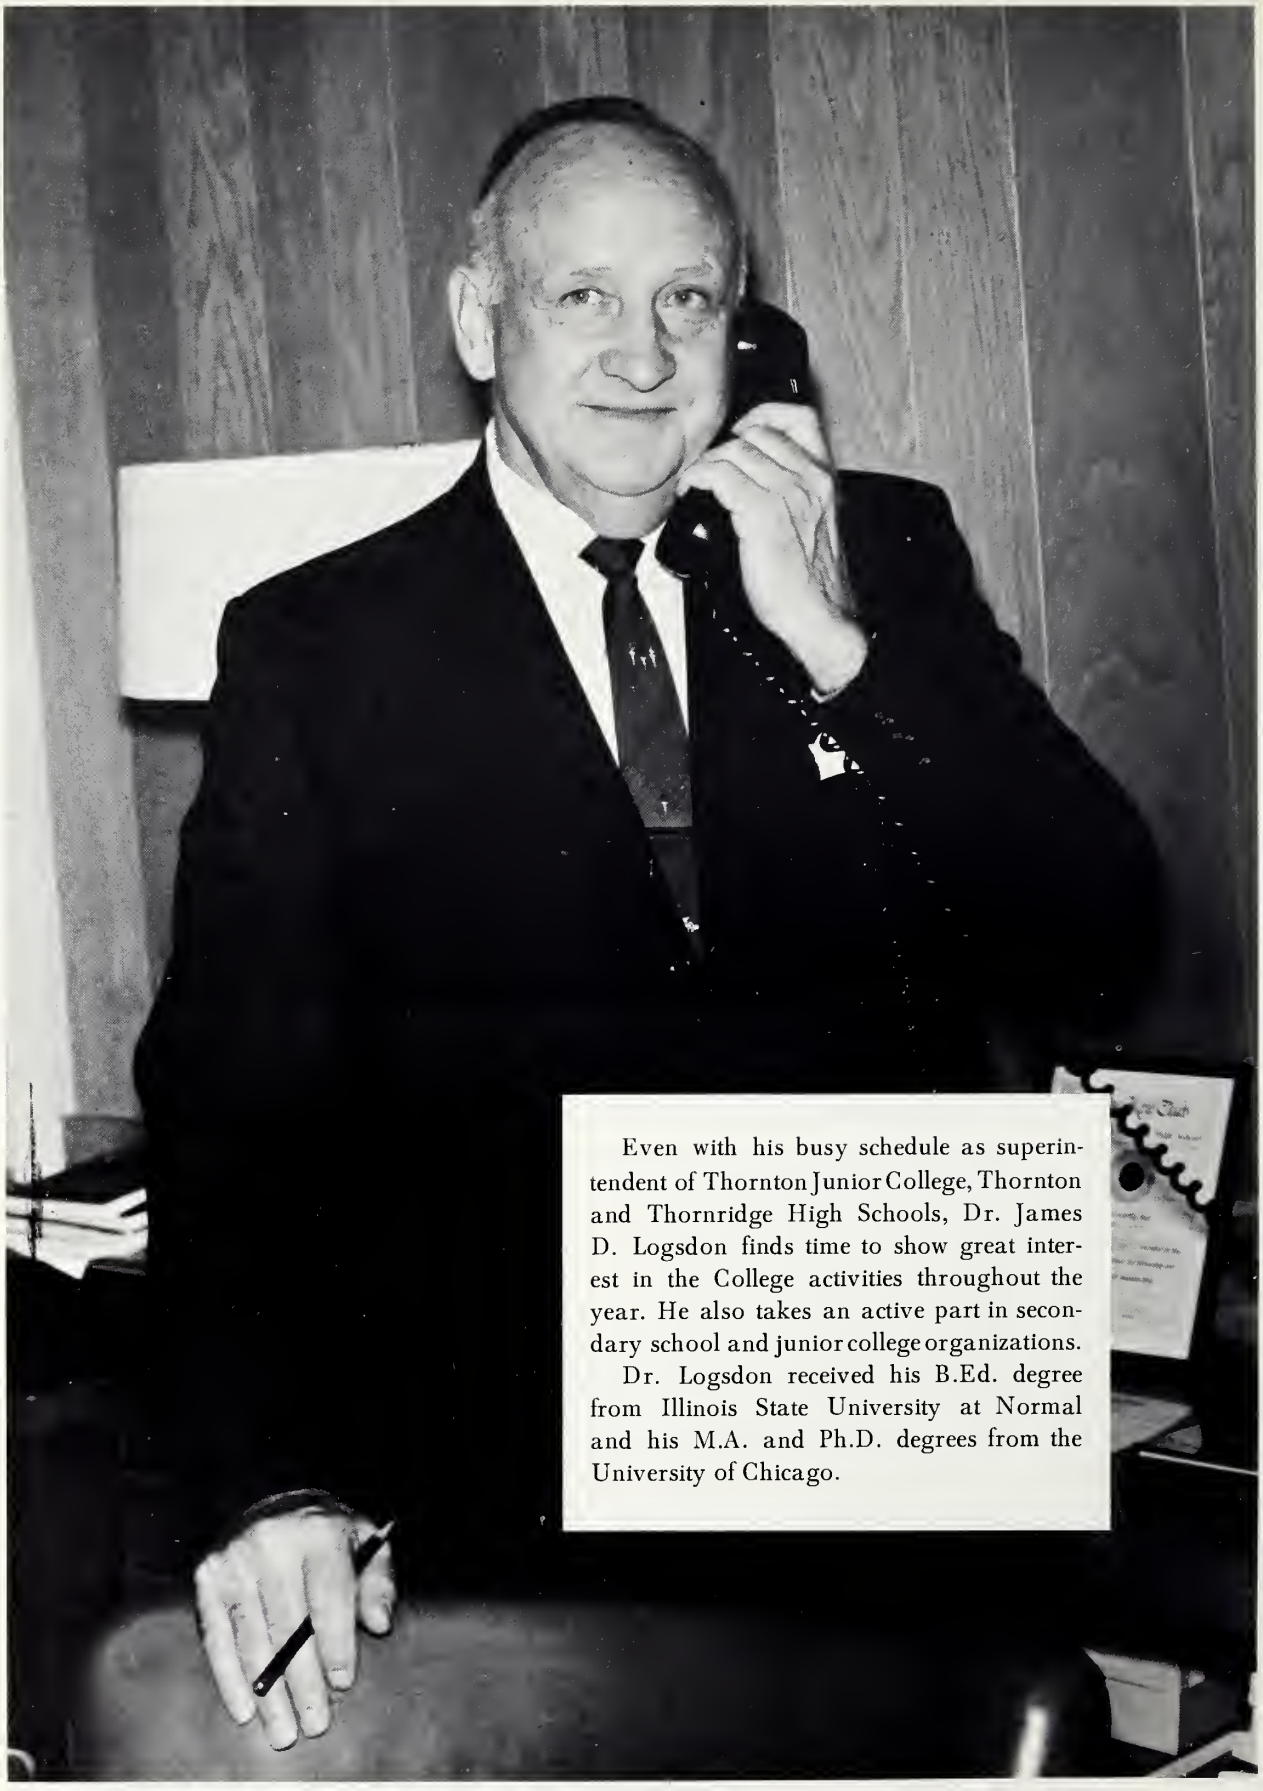
Mobile Units

In recent years the total enrollment of Thornton Junior College has continued to grow by leaps and bounds. In September, 1965, it became necessary to provide more classrooom space for the ever increasing student body. The erection of three mobile units, located behind C Annex, has supplied some of the needed classrooms.

No TJC student will forget walking into a German class instead of an English class before the units were numbered, freezing in M-3, and tramping on the narrow sidewalks set like planks through the swamp of mud to reach his mobile classes.



People



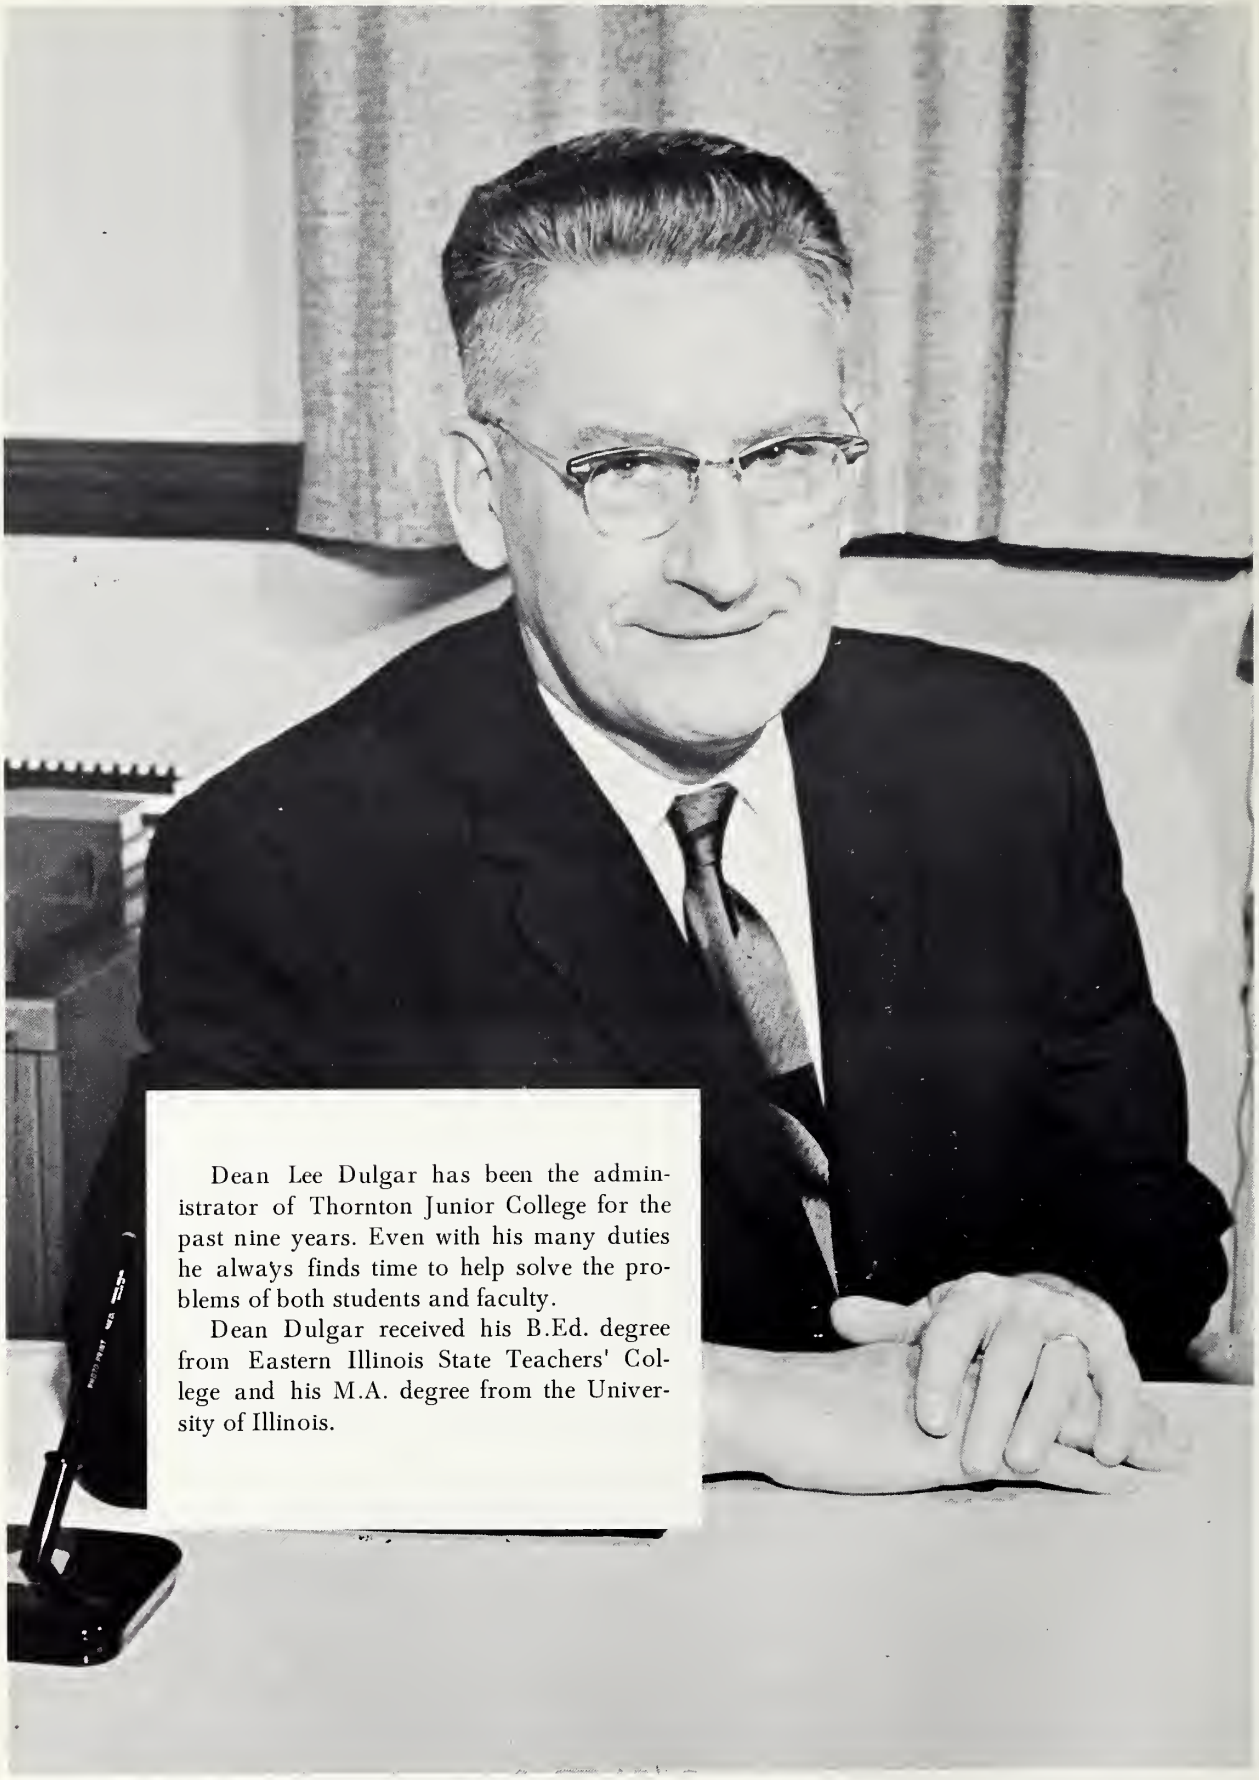
Even with his busy schedule as superintendent of Thornton Junior College, Thornton and Thornridge High Schools, Dr. James D. Logsdon finds time to show great interest in the College activities throughout the year. He also takes an active part in secondary school and junior college organizations.

Dr. Logsdon received his B.Ed. degree from Illinois State University at Normal and his M.A. and Ph.D. degrees from the University of Chicago.

Administration

Mr. Robert Hanrahan has served as Administrative Assistant to the Superintendent since 1964. He received his B.S. and M.Ed. degrees from Bowling Green State University in Ohio and has done graduate work at the University of Illinois and at the University of Chicago.

Board of Education members (left to right): Mr. Robert H. Reese, Mr. James Ozment, Mr. Willis Gouwens, Mr. Henry Vandenberg (President), Mr. Louis Boudreau, Mr. Herbert G. Greiner, Dr. W. Maurice Winston.



Dean Lee Dulgar has been the administrator of Thornton Junior College for the past nine years. Even with his many duties he always finds time to help solve the problems of both students and faculty.

Dean Dulgar received his B.Ed. degree from Eastern Illinois State Teachers' College and his M.A. degree from the University of Illinois.

For the past five years the door to the office of Miss Adelaide Childs, Dean of Women and Coed Club sponsor, has always remained open. Much of Miss Childs' time is spent interviewing all freshmen women and helping them to adjust to the college situation. She also helps freshmen and sophomores with any academic or personal problems.

Mr. Byron Kee has served as Dean of Men for the past four years. In addition to helping the college men with any problems that may arise, Mr. Kee has served as sponsor of the Men's Club and Circle K.

IN MEMORIAM

In memory of John Sanford whose spirit lives on in the minds and hearts of those who knew him.

To have known Johnny Sanford was to know what an unquenchable joy there was in his life - unquenchable except at the hands of tragedy. May his image live on in our hearts and may the spirit of his life be passed on to all of us.

How can a checking account help you get ahead as a young adult?

College?

Keeping track of your expenses is essential at college. The few seconds it takes to write a bank check gives you a complete record of your payments. The same check comes back to you after it is cashed and becomes a permanent receipt for you to keep. And with a checking account, every month you receive an accurate and detailed statement of your expenses.

Career?

Paying bills by check is the convenient "professional" way used by most people in business. It is the safest way, too, because you never have to carry large sums of money around. With a checking account you never have to walk further than your nearest mail box to pay a bill. People of every age - at school or work - depend on checking accounts for their "money management."

FREE CHECKING ACCOUNT SERVICE FOR STUDENTS - if your parents or guardians now have (or open) a checking account with us.

Please send me more informotion obout opening o personol checking account.

An end

or a beginning?

There was a time when a high school diploma could be considered an end — sufficient education for the job ahead. But no more. Not in these days of ever-advancing technology and intense individual competition. Now, whether you're planning on a white-collar or blue-collar job, the requirements are much the same — more knowledge, more skills, **more education.** And that means study beyond high school.

The decision is yours. Make it carefully, for it will probably be the most important one you'll ever make. We at Allis-Chalmers hope it will be for further study. Deeply involved in space-age technology ourselves, we know first-hand the crucial importance of special skills and education. Just as you will, in the future—**when it counts.**
